

# Fall for Fashion

Stay comfortable in this graphic, high-tech print ensemble. Available at **GIRLS GOT SWING**, Rocky River, 440.333.3377.

## PRINTS

An Asian-inspired black and white toile dress worn with a ruffle-collared coat lined in Lilly pink is a ladylike look for the season. Available at **LILLY PULITZER**, Legacy Village, 216.291.8670.

This fall, prints have a more modern day sensibility and tend to be more dramatic. Designers like to use black as a backdrop for most of their prints. A graphic print easily updates a skirt and a floral blouse feminizes a menswear-inspired coat. Of course leopard still holds out this season.

Soften a menswear-inspired look with floral print blouse or scarf. Available at **POLLY BROWN**, Chagrin Falls, 440.247.2744.

A bold new spin on a classic suit. Available at **CINDY HALLE** in Gates Mills, 440.423.0300.
